BERKELEY CAMPUS CODE OF STUDENT CONDUCT

General Overview

The University of California at Berkeley is a community of scholars committed to maintaining an environment that encourages personal and intellectual growth. It is a community with high standards and high expectations for those who choose to become a part of it, including established rules of conduct intended to foster behaviors that are consistent with a civil and educational setting. Members of the University community are expected to comply with all laws, University policies and campus regulations, conducting themselves in ways that support a scholarly environment. In this context, faculty are guided by The Faculty Code of Conduct, Section 015 of the Academic Personnel Manual, and students by the Berkeley Campus Code of Student Conduct, articulated here.

Accompanying the Berkeley Campus Code of Student Conduct (Code) is an established process to determine if a student has violated the Code and to respond appropriately when violations are sustained. Students alleged to have violated the Code are given an opportunity to meet with a member of the Student Conduct and Community Standards staff to discuss the incident in question. Most often claims are resolved informally through discussions with Student Conduct and Community Standards staff. Student Conduct and Community Standards may conduct an investigation and/or gather further information relevant to the complaint. Students may also provide any additional information to clarify the facts. If the investigation shows that there was no Code violation, the case may be dropped or a Notification (see Notification, page 7) issued. If the investigation yields evidence of a Code violation, Student Conduct and Community Standards will propose a resolution and students may be given the opportunity to resolve the case informally. If the student chooses not to accept informal resolution or Student Conduct and Community Standards determines it necessary, the case will be handled formally by either an administrative hearing office or panel comprised of members of the Committee on Student Conduct (hearing body).

Once the formal process begins, students can expect to be notified of the date and time for a hearing. In a panel hearing the panel will be composed of faculty, staff, and students. In an administrative hearing a staff member in Student Conduct and Community Standards will serve as the hearing officer. The process for either hearing is the same. Student Conduct and Community Standards staff will present witnesses and information related to the case and students will have the opportunity to share information to be reviewed, present witnesses and information on their behalf and ask questions of the campus’ witnesses. The hearing body will determine whether it is more likely than not that students violated the Code, and if so, will recommend an appropriate sanction to the Dean of Students. If a sanction is imposed, students have the right to appeal their case to the Vice Chancellor of Student Affairs.

Because this is an educational process, students are expected to speak for themselves. They may, however, seek the advice of another person to assist them in either the formal or informal process. In the event that the student chooses not to participate in the hearing process, the hearing process will continue in his or her absence.

Sanctions in both the formal and informal processes are intended to have the effect of educating students about appropriate behavior within the community, helping them learn from mistakes, and discouraging violations of the rules of conduct. Sanctions often include such elements as reflective writing assignments, community service, letters of apology, counseling or additional coursework to encourage students to learn from their prior behavior and educate others about the standards of the campus community.

I. **STUDENT RIGHTS**

Students charged with violations of the Berkeley Campus Code of Student Conduct (Code) are advised of their due process rights when they meet with Student Conduct and Community Standards staff, and throughout the process, they are entitled to the following procedural protections:

A. **Notice of the Charges**

If Student Conduct and Community Standards determines that a student will be charged with violations of the Code, a notice is sent to the student within 30 days after a complaint is filed or initiated by Student Conduct and Community Standards. The Notice of Charges identifies those sections of the Code the student is charged with violating and includes a brief explanation of the facts supporting the charge(s). See *Notice of Charges*, page 7 and the *Overview of the Conduct Process* in Appendix III.

The University may bring charges against a former student, for offenses committed while a student, within six months after termination of student or student organization status. This limitation does not apply to cases that involve academic dishonesty or fraud affecting the acquisition of a degree, over which the University maintains indefinite jurisdiction.

B. **Presumption of Innocence**

It is presumed that a student charged with a violation of the Code is not responsible for such violations unless the student admits responsibility or a hearing determines otherwise. (See *Standard of Proof*, page 11)

C. **Choosing not to Participate**

The conduct process works best when students and staff collaboratively come to an informal resolution of cases. Students may choose not to participate in the resolution of their case. In this situation the hearing body may elect to proceed in the student’s absence. When a hearing is held in a student’s absence the decisions of the hearing body and the Dean of Students or his/her designee will have the same force and effect as if the student had been present. Students may also choose to remain silent during any portion of the conduct process and no inference will be drawn from their silence.

D. **Hearing**

Students charged with violations of the Code are encouraged to fully explore informal resolution of their case. They may, however, elect to have formal resolution of the case through an administrative or panel hearing. (See *The Hearing*, page 10)

E. **Appeal**

Students have a right to appeal the decisions of the hearing body and the Dean of Students or his/her designee. See *Appeal of the Hearing Body and Dean of Students’ Decisions* (page 13) for a description of the appeals process.

F. **Advisors**

Students must speak on their own behalf but may be accompanied by one advisor at any stage of the process, at his or her own expense. An advisor’s role in the student conduct process is to provide students with assistance in preparing for and conducting meetings and hearings. In meetings prior to the commencement of a formal hearing process, students are encouraged to fully participate but may be assisted by an advisor who, with the written permission of the student, may interact directly with Student Conduct and Community Standards staff and may meet on behalf of the student to seek an informal resolution. In a formal hearing, the student may consult with his or her advisor throughout the proceedings; however, advisors may not participate directly in the hearing process. Exceptions will only be made by the hearing panel or hearing officer in unusual circumstances (i.e. need for translator).
II. CONDUCT PROCEDURES

The Center for Student Conduct and Community Standards is responsible for administering the Code on behalf of the campus. Student Conduct and Community Standards handles complaints of both academic and non-academic violations of the Code. Faculty members may resolve academic violations separately or in conjunction with Student Conduct and Community Standards. (See Faculty Informal Resolution of Academic Violations, page 8) Each case is handled individually and, while due process is always provided, every procedure outlined in the Code may not be employed in a particular case. The timelines set forth in this document may be extended in unusual circumstances as determined by the Dean of Students or his/her designee. Requests for extensions and approvals must be made in writing and all parties will be notified of the extension granted.

A. Filing a Complaint and Investigation of Allegations

1. Filing a Complaint

Most cases begin with a complaint alleging that a student has committed an academic or non-academic violation of the Code. Any member of the faculty or staff, a student or any other person may file a complaint with Student Conduct and Community Standards. Complaints alleging violation of certain campus policies, such as the Sexual Harassment Policy (see Appendix I), must be filed within time limits prescribed in those policies. Student Conduct and Community Standards may also independently investigate information concerning student misconduct from any source, such as police and/or press reports, even where no formal complaint has been filed.

2. Sexual Harassment Complaints

In cases involving sexual harassment and/or gender discrimination, the investigation of specific allegations will be conducted by the Title IX Compliance Officer or other officer designated by the Chancellor in accordance with the Berkeley Campus Policy on Sexual Harassment and Complaint Resolution Procedures or the Student Grievance Procedure (see Appendix I). In cases involving a complaint of rape or sexual assault, the investigation of specific allegations will be directed by the Title IX Compliance Officer and conducted by Student Conduct and Community Standards. The Title IX Compliance Officer will decide whether sexual assault and sexual harassment cases should be pursued by Student Conduct and Community Standards.

3. Complaints Relating to University Housing

Students residing in University-owned and/or operated housing facilities who violate the Residential Code of Conduct (See Appendix I) may be adjudicated under the process outlined in the Residential Code of Conduct or referred directly to Student Conduct and Community Standards.

B. Investigation of Misconduct

Student Conduct and Community Standards will conduct an investigation of complaints of alleged misconduct and determine whether sufficient information exists to proceed with a conduct process. One of the following actions will then be taken:

1. Not Pursued
   a) Insufficient Evidence

   If Student Conduct and Community Standards determines that there is insufficient evidence to support an allegation of violation of the Code, charges against the accused student will not be pursued.
b) Notification

Instead of pursuing charges against a student that has allegedly violated the Code, Student Conduct and Community Standards may issue a written notification to a student that his or her alleged behavior may have violated University policy, campus regulations or the Code and that, if repeated such behavior will be subject to the conduct process. The Notification does not result in a conduct record and therefore is not appealable. However, in order to enhance the sanction, the prior alleged behavior as detailed in the Notification may be introduced in a subsequent conduct process for the purpose of establishing that the student has been warned about such behavior.

2. Case Charged

a) Notice of Charges

If Student Conduct and Community Standards determines that there is sufficient information that supports the allegation the student will be notified of the charges under the Code. The written notice of charges advises the student of: the University Policy or campus regulation the student is alleged to have violated; a brief summary of the incident including, wherever possible, the date, time, and location of the alleged offense; a statement that the student may be accompanied by an advisor at any stage of the conduct proceedings at his or her own expense; the opportunity to meet with a staff member of Student Conduct and Community Standards to discuss resolution of the charges pursuant to Informal Resolution of Allegations (page 8) of this Code; the right to a hearing to contest the allegations; and Student Conduct and Community Standards’ intent to proceed to hearing unless the student meets with staff and informally resolves the charges. See the Overview of the Conduct Process in Appendix III.

Notice to student organizations will be addressed to the president, principal officer, student group signatory or other students designated by the group to act as an agent on behalf of the group.

b) Advisory Review Committee

Student Conduct and Community Standards may seek the advice of an Advisory Review Committee with respect to pursuing or charging a case or with sanctioning pursuant to an informal resolution. Hearing bodies may also seek the advice of an Advisory Review Committee for the purpose of determining an appropriate sanction. This committee will also conduct any hearings required in connection with an Interim Suspension (See Interim Suspension, page 19). Advisory Review Committees will be formed on an as-needed basis from the members of the Committee on Student Conduct and will include three members: a faculty chair, one student and one staff member. Advisory review committee members responsible for making decisions related to pursuing or charging a case will not be seated on the hearing panel for that case.

C. Resolution of Charged Cases

Students may choose to resolve their cases either informally through meetings with Student Conduct and Community Standards staff or formally through a hearing process. In either case, a student may request a copy of his or her own conduct record from Student Conduct and Community Standards. Student Conduct and Community Standards must provide a copy within three days of such requests. The release of such information may be subject to limitations imposed by state and federal law. (See Berkeley Campus Policy Governing Disclosure of Information from Student Records in Appendix I for further information.)
1. Informal Resolution of Allegations

a) Student Conduct Informal Resolution

Students charged with Code violations are offered the opportunity to meet with Student Conduct and Community Standards to resolve their case without a formal hearing. Cases may be resolved informally if the charged student, at any time prior to the hearing, admits violating the Code as charged or otherwise accepts an informal resolution. Informal resolutions generally include sanctions as described in Conduct Sanctions (page 19) combined with enhancements such as community service, additional educational requirements, written assignments, etc. If the Student Conduct Officer and the student reach a mutually acceptable agreement regarding sanctions, no hearing will be held. A student agreeing to an informal resolution must understand that by accepting the informal resolution he or she is waiving his or her rights to a hearing and any further appeal. If no agreement is reached, the matter will proceed to a hearing. (See also Faculty Resolution of Academic Violations, page 8)

b) Additional Informal Resolution Options

In some cases additional options for informal resolution may be appropriate. These options could include, but are not limited to: mediation, peer review boards, and restorative processes. Student Conduct and Community Standards staff will determine when these options for resolution may be appropriate and make referrals.

c) Faculty Resolution of Academic Violations

(1) Generally

Faculty members may choose to informally resolve incidents of academic misconduct or may refer such complaints to Student Conduct and Community Standards. All faculty dispositions will be reported to Student Conduct and Community Standards, either for adjudication (as described in Resolution of Charged Cases, page 7) or for record-keeping purposes. If the student has a prior history of misconduct at the University, Student Conduct and Community Standards may adjudicate the matter after consultation with the instructor or faculty member.

(2) Initial Investigation

Instructors or faculty members attempting to settle academic matters will discuss allegations of academic misconduct with the student directly and, if appropriate, others involved in the suspected academic violation. If the student maintains innocence of the violation and the instructor or faculty member determines that no such violation occurred, he or she may cease investigating the complaint.

(3) Faculty Determined Disposition

If, upon discussion, the student admits the violation, the instructor may impose an appropriate academic sanction after confirming with Student Conduct and Community Standards that the student has no prior history of academic misconduct. If the student does not admit to the academic misconduct or consent to the sanction proposed by the faculty member, the matter will be adjudicated through Student Conduct and Community Standards. Academic sanctions may only be imposed by faculty members and include but are not limited to resubmitting assignments and grade adjustments. Faculty members may not impose sanctions as listed in Conduct Sanctions (page 19). All faculty dispositions will be reported to Student Conduct and Community Standards for record-keeping purposes.
(4) **Referral to Student Conduct and Community Standards**

If the instructor or faculty member is unable to, or elects not to resolve the complaint with the student, he or she will report the alleged violation to Student Conduct and Community Standards.

If the student, in discussion with the instructor or faculty member, maintains innocence of the alleged violation and the instructor or faculty member believes a violation did occur, he or she will report the alleged violation to Student Conduct and Community Standards.

If a student is found responsible for academic violations of the Code academic sanctions may be imposed by the faculty member (see *Faculty Determined Disposition*, page 8) and non-academic sanctions imposed by Student Conduct and Community Standards or the hearing body. (See *Conduct Sanctions*, page 19)

When an instructor or faculty member reports an alleged academic violation to Student Conduct and Community Standards, a course grade of "I" (Incomplete) will be noted on the grade sheet pending resolution of the allegation. When the alleged violation is reported to Student Conduct and Community Standards, it will be handled as outlined in section *Resolution of Charged Cases* (page 7).

(5) **Notice of Final Disposition**

The instructor or faculty member will, in all cases, be informed of the disposition of the allegations by Student Conduct and Community Standards to the extent permitted by applicable law and University policy.

2. **Formal Hearing Processes**

Cases will be resolved through a formal hearing process unless resolved informally (See *Student Conduct Informal Resolution*, page 8) through either Student Conduct and Community Standards or a faculty disposition (see *Faculty Resolution of Academic Violations*, page 8) Both the student and Student Conduct and Community Standards will have an opportunity to present witnesses for questioning (see *Presentation of Information*, page 10). The student may request a copy of his or her disciplinary file at any time in order to prepare for a hearing. Student Conduct and Community Standards must provide copies within three days of such requests. The release of information pursuant to this section may be subject to limitations imposed by state and federal lay. (See *Berkeley Campus Policy Governing Disclosure of Information from Student Records* in Appendix I). A student may choose a hearing panel or administrative hearing as outlined below:

a) **Administrative Hearing**

A student may choose to have his or her case resolved through an administrative hearing. These cases will be heard by a single hearing officer who is a staff member in Student Conduct and Community Standards. When a student chooses not to participate in the resolution of allegations of violation of this Code, and the outcome will not likely result in suspension or dismissal, Student Conduct and Community Standards will normally refer the matter to an administrative hearing for resolution in absentia.

b) **Panel Hearing**

A student may choose to have his or her case resolved through a panel hearing. These cases will be heard by hearing panels comprised of members of the Committee on Student Conduct. When a student chooses not to participate in the resolution of allegations of violations of this Code and the sanctions may likely result in suspension or dismissal, Student Conduct and Community Standards will normally refer the matter to a panel hearing for resolution in absentia.
c) **Pre-Hearing Process**

(1) **Exchange of Information**

Prior to any hearing the student will provide Student Conduct and Community Standards with copies of all information relevant to the incident to be shared at the hearing and a list of possible witnesses. It is the responsibility of the student to ensure that his or her witnesses are present. (If a witness is not able to be present and would like to provide a written statement, the hearing body will decide if and how it will consider such information.) These items must be provided to Student Conduct and Community Standards at least 5 days prior to the hearing. In order to ensure the hearing body has the most complete information available to review and resolve the incident, Student Conduct and Community Standards may also provide witnesses and/or other information on behalf of the University. Early access to these materials allows the hearing body to review the information and prepare questions. The student will also have access to this information in advance of the hearing in order to prepare.

The student may pick up a copy of the above mentioned materials and hearing packet from Student Conduct and Community Standards at least 5 days prior to the hearing. The release of information pursuant to this section may be subject to limitations imposed by state and federal law. (See Berkeley Campus Policy Governing Disclosure of Information from Student Records in Appendix I).

(2) **Procedural Matters**

The hearing body will review and decide on procedural questions in advance of or at the beginning of a hearing process, or during the hearing as necessary and appropriate.

d) **The Hearing**

Conduct hearings will be held when the case is not resolved informally. Student Conduct hearings begin within 45 days from the date the notice of charges was mailed to the charged student by Student Conduct and Community Standards. Written notice of the date, time, and location of the hearing will be sent to the student via email at least ten days before the hearing. (See *Notice*, page 14)

(1) **Presentation of Information**

Hearings are not conducted according to formal rules of procedure and evidence. Unless otherwise determined by the hearing body, Student Conduct and Community Standards will share information, and present witnesses in support of the charges first and the charged student will have the same opportunity to share information, and present witnesses thereafter. All witnesses brought before the hearing panel will be questioned first by the hearing body.

Once the hearing body has completed its questioning of a witness, Student Conduct and Community Standards and the charged student will each be given the opportunity to ask any remaining questions. The student must choose one of the following methods for all follow-up questioning: either 1) all follow-up questions are asked by the student and the Conduct Officer, or 2) all follow-up questions are submitted by the student and Student Conduct and Community Standards to the panel in writing as they arise during the course of the hearing. No later than the start of the hearing, the student will elect his or her questioning method in writing. The student’s choice of questioning method is also binding upon Student Conduct and Community Standards and applies throughout the hearing. The student and Student Conduct and Community Standards will each be given an opportunity to make both opening and closing statements. (See *the FAQs about the Hearing Process* in Appendix IV)
(2) **Decisions during the Hearing**

The hearing body will only decide on questions of procedure and information related to the hearing process, including but not limited to the order of presentation of information, admissibility of information, applicability of regulations to a particular case, and relevance of information presented. If a challenge arises concerning the constitutionality or legality of an application of any such regulations or policies to a particular case, the hearing will continue and the challenge may be submitted by the hearing body in writing to the Vice Chancellor for Student Affairs, who will seek legal advice from the Office of Legal Affairs. Neither the faculty chair, hearing panel, nor the hearing officer is permitted to dismiss a case. Resolution must be made through the hearing process.

(3) **Question and Answer**

No person is required to provide information against him or herself in any conduct proceeding. Information shared will normally not be admissible unless the opposing party is afforded the opportunity to confront and a reasonable opportunity to ask questions of the witness. (See *Presentation of Information*, page 10). However, if a witness is unavailable or declines to attend, the hearing body will determine whether written or other recorded statements of such witness will be admitted.

(4) **All Information Presented at the Hearing; Hearings in Absentia**

The hearing body’s decision will be based only upon information introduced at the hearing in the presence of the charged student unless the student: (a) fails to appear after appropriate notice has been given or (b) otherwise waives his or her right to be present. Neither the charged student nor Student Conduct and Community Standards may communicate information regarding the merits of the case or its disposition to the hearing body without the other party being afforded an opportunity to respond. However, if the student does not appear at the hearing, the hearing body will proceed in the student’s absence and the decision will have the same force and effect as if the student had been present.

(5) **Standard of Proof**

Student Conduct and Community Standards bears the burden of proving the charges. The standard of proof for all hearings is a preponderance of evidence. A preponderance of evidence is generally defined as “greater than 50%” or alternatively “more likely than not.”

(6) **Admissibility of Information**

Admissible information is the sort upon which responsible persons are accustomed to rely in the conduct of serious affairs, and is not restricted to evidence admissible under the strict rules of evidence of a court of law. The hearing body will not consider information that it determines has been obtained by fundamentally unfair means.

(7) **Prior Conduct Record**

The hearing body will take into account the student’s prior conduct record, if any, only for purpose of determining an appropriate sanction unless the information is considered to be relevant to the charges.

(8) **Information in Cases of Sexual Assault or Rape**

The privacy interests of the parties will be considered by the hearing body in making decisions about the introduction of information. In cases involving allegations of sexual
assault or rape, information regarding an individual's sexual history and practices will be considered only when it is determined that the information is directly relevant to the claims and essential to fair resolution of the matter.

e) **Hearing Body’s Recommendation and Dean of Students’ Decision**

The hearing body's decision will be documented in a report that includes a summary of the student’s behavior and a determination of whether the student has been found responsible or not of each alleged violation of the Code of Student Conduct. The hearing body will also recommend to the Dean of Students or his/her designee specific sanctions to be imposed if it finds the student in violation of the Code. A copy of the report prepared by the hearing body will be sent by email to the student and delivered to the Dean of Students and Student Conduct and Community Standards within ten days of the hearing.

Based upon the findings of the hearing body and any recommendation for sanctioning, the Dean of Students or his/her designee will determine the sanction to be imposed. A written statement of the Dean of Student’s or his/her designee’s final decision on sanctioning will be sent by email to the accused student within ten days of receiving the hearing body’s report.

f) **Recommendation to Revoke Degree Previously Conferred**

1. If the hearing body determines that a student has committed an act of academic dishonesty or fraud affecting the acquisition of his or her degree, the Dean of Students or his/her designee may forward a recommendation that the degree be revoked to the Committee on Courses of the Academic Senate. A Notice of Intent to Recommend Revocation of Degree will be sent via email to the accused student with the written statement of decision, as described in *Hearing Body’s Recommendation and Dean of Students’ Decision* (page 12).

2. The Dean of Students’ or his/her designee’s recommendation will not be forwarded to the Committee on Courses until expiration of the time to file a written appeal as described in *Appeal of the Hearing Body and Dean of Students’ Decisions* (page 13), or until determination that the appeal by the Vice Chancellor for Student Affairs or his/her designee has been completed.

3. The Committee on Courses makes the final decision as to revocation of the degree. This determination is not appealable to the Vice Chancellor for Student Affairs as described below in section *Appeal of the Hearing Body and Dean of Students’ Decisions* (page 13).

g) **Consolidation of Hearings**

Cases in which more than one student is charged with violating the same Code section(s) and which depend on common evidence may, at the discretion of Student Conduct and Community Standards, either be considered jointly in a single consolidated hearing or be assigned to separate, individual hearings. All charged students must waive their rights to confidentiality before the hearing may be consolidated. See *Berkeley Campus Policy Governing Disclosure of Information from Student Records* (See Appendix I). When an individual student is alleged to have violated Code in separate incidents the cases may be resolved in a single hearing process, when appropriate.

h) **Record of the Hearing**

Student Conduct and Community Standards will make an official recording of the hearing, a copy of which must be made available to the accused student upon request. The student may, at his or her own expense, use the services of a professional stenographer during the hearing. In some instances the recording may have to be transcribed before it can be released (See
For most current version of this document, go to http://studentconduct.berkeley.edu

Berkeley Campus Policy Governing Disclosure of Information from Student Records in Appendix I).

i) **Hearings Generally Closed to the Public**

Hearings are closed unless the accused student and the hearing body mutually agree to open the hearing to the public. The student must submit a written request for a public hearing to the hearing body seven days in advance of the scheduled hearing date. If the request for an open hearing is denied, the hearing body will provide a rationale in writing. In a consolidated hearing, all accused students must waive their rights to confidentiality and to a closed hearing before it may be opened to the public. In all hearings, accused students may have a non-participating observer present. The hearing body may close any hearing to the public when necessary to maintain order or to protect the rights of the participants including the privacy rights of student witnesses. In cases concerning allegations of sexual misconduct or other allegations involving important privacy interests, the hearing body may close a hearing upon determining that the privacy rights of a party or witness may otherwise be jeopardized.

D. **Appeal of the Hearing Body and Dean of Students' Decisions**

Appeals of the hearing body and the Dean of Students' or his/her designee’s decisions must be addressed in writing to the Vice Chancellor for Student Affairs or his/her designee.

1. **Timeline for the Appeal**

Within ten days of the emailing of the written notification of the Dean of Students’ or his/her designee’s final decision, either the charged student or Student Conduct and Community Standards may submit a written appeal to the Vice Chancellor for Student Affairs or his/her designee. When such an appeal is timely submitted by a party, the Vice Chancellor or his/her designee must promptly send a copy of the appeal to the other party. Within five days of receiving the copy, the other party may submit a written response to the Vice Chancellor or his/her designee.

2. **Suspension of Sanctions Before the Appeal**

The filing of a timely appeal suspends the imposition of sanctions until the appeal is decided, but interim action may be taken as determined by the Dean of Students or his/her designee. Grades or degrees may be withheld pending conclusion of the appeal.

3. **Basis for Appeal**

An appeal must be based on newly discovered evidence that was not available at the time of the hearing, significant procedural error, or upon other evidence or arguments which, for good cause, should be considered.

4. **Final Determination of Appeal**

The Vice Chancellor for Student Affairs, or his/her designee, will make the final determination of all cases appealed under these regulations. Except in cases where the appeal is based upon newly discovered evidence, the Vice Chancellor or his/her designee will review the record of the hearing and will not consider information that was not part of that record, other than the student's prior conduct record, if any. The Vice Chancellor for Student Affairs or his/her designee may approve, reject, or modify the decision and sanction in question, or require that the original hearing be reopened. Where the appeal is based upon new information, the case may be referred back to the hearing body for further consideration. The action taken will be communicated in writing to the student and Student Conduct and Community Standards within fifteen days after receipt of the appeal and related documents.
III. Definitions

A. Student

1. The term "student" for the purposes of this Code, means an individual for whom the University maintains student records and who:
   a) is enrolled in or registered with an academic program of the University;
   b) has completed the immediately preceding term and is eligible for reenrollment, including the recess periods between academic terms; or
   c) is on an approved educational leave or other approved leave status, or is on filing-fee status.

2. The Code also applies to:
   a) applicants who become students, for offenses committed as part of the application process;
   b) applicants who become students, for offenses committed on campus and/or while participating in University-related events or activities that take place following a student's submittal of the application through his or her official enrollment; or
   c) former students for offenses committed while a student.

B. Notice

Wherever written notice to the student is required by the Code, it will be conclusively presumed to have been furnished if the notice is sent to the student by email to the email address most recently filed with the Registrar’s office. It will be conclusively presumed that written notice to a student organization has been furnished if the notice is sent by email to the email address provided by the student organization to the Center for Student Leadership or sponsoring department.

C. Student Organization

Unless otherwise stated, wherever this Code refers to “student” the same also applies to student organizations. “Student organization” means any group or organization of students of the University of California, Berkeley that has obtained official recognition as a student organization from an office or department of the campus. Communications with student organizations will be directed to the president, principal officer, student group signatory or other students designated by the group to act as an agent on behalf of the group.

D. Days

The term “days” is defined as the normal business day and does not include Saturdays, Sundays, legal holidays or University designated administrative holidays. With the mutual consent of the student, Student Conduct and Community Standards and the hearing body, hearings may be held outside of normal business hours, on Saturdays, Sundays or administrative holidays. Timelines set forth in this document may be extended in unusual circumstances as determined by the Dean of Students or his/her designee.

E. Committee on Student Conduct

1. Composition of Committee

The Committee on Student Conduct is the body of individuals who serve on hearing panels and consists of faculty, staff and both graduate and undergraduate students. One undergraduate student may be nominated by the recognized student government and one graduate student may be
nominated by the Graduate Assembly. Additional students are solicited from the community at large for appointment to the committee. Staff members are nominated by the Vice Chancellor for Student Affairs. Faculty members are nominated by the Academic Senate Committee on Committees. All members of the committee are appointed by the Chancellor or his/her designee.

2. Hearing Panels

Hearing panels are generally comprised of five members of the Committee on Student Conduct and include: one faculty member, one undergraduate student, one graduate student, one staff member and the faculty chair. Hearings may be heard by a quorum of three members of the Committee on Student Conduct so long as the faculty chair and one student are included on the panel. If the case involves an academic violation, at least two of the individuals hearing the case must be members of the faculty.

3. Duration of Appointment

Unless otherwise specified by the Chancellor, appointments to the Committee on Student Conduct will be made in the spring for terms beginning the following August 1. Faculty and staff appointments to the Committee normally last for a term of two years and student appointments to the Committee normally last for a term of one year, all commencing on August 1, and ending on July 31 or upon the appointment of the new committee members, whichever is later. Members may be appointed for successive terms.

IV. Jurisdiction

A. Generally

These provisions govern student conduct on, or as it relates to University property, or at official University functions and University-sponsored programs conducted away from the campus. University property is defined for purposes of this Code as all land, buildings, facilities or other grounds or structures, or any item in possession of or owned, used, maintained or controlled by the University or designated by the campus as subject to these policies, including the International House. University property also includes computers and network systems owned, maintained or controlled by the University or funded by University budgets or designated by the campus as subject to these policies.

B. Off-Campus Conduct

1. The Geographic “Box”

Student conduct that occurs off University property but within the geographic area immediately adjacent to the campus is subject to the Code. This includes all property bounded by Virginia Street on the north, Shattuck Avenue on the west, and Derby Street on the south. The eastern boundary, as it runs from north to south, is comprised of La Loma Avenue, Gayley Road, Prospect Street (between Orchard Steps and Dwight Way) and Warring Street, and includes property situated along both the east and west sides of said streets.

2. Other Off-Campus Conduct

Student conduct that occurs off University property and not within the area described in Geographic Box (page 15) and Conduct on Other UC Campuses (page 16) is subject to the Code where it a) adversely affects the health, safety, or security of any member of the University community, or the mission of the University, or b) involves academic work or any records, or documents of the University.

In determining whether or not to exercise jurisdiction over such conduct, Student Conduct and Community Standards will consider the seriousness of the alleged offense, the risk of harm
involved, whether the victim(s) are members of the campus community and/or whether the off-campus conduct is part of a series of actions that occurred both on and off University property.

3. **Conduct on Other UC Campuses**

A student at one campus of the University, who is accused of violation of University policies or campus regulations on another campus of the University, or at an official function of that campus, shall be subject to the disciplinary procedures of either the former or the latter campus as agreed by designees of both campuses. The imposition of any recommendations for disciplinary sanctions arising from these procedures must be reviewed and approved by both campuses before the sanctions are imposed.

V. **GROUNDS FOR DISCIPLINE**

The Chancellor may impose discipline for the commission or attempted commission (including aiding or abetting in the commission or attempted commission) of the following types of violations by students (as specified by University Policy 100.00, [http://www.ucop.edu/ucophome/coordrev/ucpolicies/](http://www.ucop.edu/ucophome/coordrev/ucpolicies/)), as well as such other violations as may be specified in campus regulations:

105.01 Warning/Censure

Written notice or reprimand to the student that a violation of specified University policies or campus regulations has occurred and that continued or repeated violations of University policies or campus regulations may be cause for further disciplinary action, normally in the form of Disciplinary Probation, and/or Loss of Privileges and Exclusion from Activities, Suspension, or Dismissal.

105.02 [Rescinded May 17, 2002 per UCOP]

105.03 Disciplinary Probation

105.04 Loss of Privileges and Exclusion from Activities

Exclusion from participation in designated privileges and activities for a specified period of time. Violation of any conditions in the written Notice of Loss of Privileges and Exclusion from Activities, or violation of University policies or campus regulations during the period of the sanction may be cause for further disciplinary action, normally in the form of Probation, Suspension or Dismissal.

105.05 Suspension

Termination of student status at the campus for a specified period of time with reinstatement thereafter certain, provided that the student has complied with all conditions imposed as part of the suspension and provided that the student is otherwise qualified for reinstatement. Violation of the conditions of Suspension or of University policies or campus regulations during the period of Suspension may be cause for further disciplinary action, normally in the form of Dismissal.

105.06 Dismissal

Termination of student status for an indefinite period. Readmission to the University requires the specific approval of the Chancellor of the campus to which a dismissed student has applied. Readmission after dismissal may be granted only under exceptional circumstances.

Exclusion of a student as part of a disciplinary sanction from specified areas of the campus or other University-owned, -operated, or -leased facilities, or other facilities located on University property, or from official University functions, when there is reasonable cause for the University to believe that the student's presence there will lead to physical abuse, threats of violence, or conduct that threatens the health or safety of any person on University property or at official University functions, or other disruptive activity incompatible with the orderly operation of the campus.

105.08 Interim Suspension

Exclusion from classes or from other specified activities or areas of the campus, as set forth in the Notice of Interim Suspension, before final determination of an alleged violation. A student will be restricted only to the minimum extent necessary when there is reasonable cause to believe that the

A student placed on Interim Suspension will be given prompt notice of the reason for the Interim Suspension, the duration of the Interim Suspension, and the opportunity for a prompt hearing on the Interim Suspension. Interim Suspension will be reviewed by the Chancellor or his/her designee within twenty-four hours. If the Interim Suspension is not upheld by the hearing panel the University is committed to a policy whereby reasonable efforts are taken to assist an individual who has been disadvantaged with respect to employment or academic status.

105.09 Restitution

A requirement for restitution in the form of reimbursement may be imposed for expenses incurred by the University or other parties resulting from a violation of these policies. Such reimbursement may take the form of monetary payment or appropriate service to repair or otherwise compensate for damages. Restitution may be imposed on any student who alone, or through group or concerted activities, participates in causing the damages or costs.

105.10 Revocation of Awarding of Degree

Subject to the concurrence of the Academic Senate, revocation of a degree obtained by fraud or other academic dishonesty. Such revocation is subject to review on appeal by the Chancellor.

An academic degree may be deferred when disciplinary proceedings are pending or when a student's full compliance with disciplinary sanctions is pending, or withheld when academic dishonesty or fraud affected the acquisition of the student's degree. See (Recommendation to Revoke Degree Previously Conferred, page 12) for further information regarding this procedure.

105.11(e) Stay of Sanction

The imposition of any sanction may be held in abeyance pending future conduct.

Appropriate counseling or other professional assistance including but not limited to psychological counseling, drug and alcohol counseling, and anger management workshops may be required.

105.11(g) Other Actions

Other appropriate action, including, but not limited to additional academic assignments.

2. A recognized student organization may be sanctioned where a member or members of the organization violated the Code with the knowledge and consent of the organization's officers, or acted in concert with other members of the organization.

VII. MISCELLANEOUS

A. MAINTENANCE OF CONDUCT AND ACADEMIC RECORDS

1. University Policy, State and Federal Law

Conduct case records and all supporting documentation will be maintained according to the University policies and applicable State and Federal laws concerning maintenance and disclosure of student records, protection of a student's right of privacy, and the disclosure of personal student information.

2. Campus Policy

The file of a student found in violation of campus regulations (including the transcripts or recordings of the hearing) will be maintained by Student Conduct and Community Standards for a period of at least seven years from the date of the letter providing notice of final conduct action, unless otherwise determined by the Dean of Students or his/her designee.

3. Posting on Transcripts

When, as a result of a violation of the Code of Student Conduct, a student is suspended, the fact that suspension was imposed must be posted on the academic transcript for the duration of the suspension. When a student is dismissed, the fact that dismissal was imposed must be posted on the academic transcript permanently.

B. Threats to Health and Safety/Disruptive or Illegal Activity

1. Threats to Health and Safety

In cases involving behavior that is willfully disruptive or presents a threat to the health or safety of others, interim suspension or exclusion pursuant to California Penal Code Section 626 may be invoked in addition to or instead of the initiation of conduct action. See Interim Suspension (page 19) of this Code for Interim Suspension policy. See Disruptive and Illegal Activity (page 21) for further information regarding Penal Code Section 626.

2. Disruptive and Illegal Activity

Independent of the procedures described above, the Berkeley Campus Chief of Police or other designated officer may exclude disruptive students from the campus under the Berkeley Campus Procedures for Implementing Section 626 of the State Penal Code. Such exclusions may be ordered where there is reasonable cause to believe that the individual has engaged in an activity which (1) willfully disrupts the orderly operation of the campus and (2) is illegal under criminal statutes other than Section 626.4. (See Berkeley Campus Procedures for Implementing Section 626 of the State Penal Code in Appendix I for further information).

C. Application of the Code

Conduct for violations of University policies or campus regulations may be imposed whether or not such violations are also violations of law, and whether or not proceedings are or have been pending in the courts involving the same acts. The proceedings described herein are separate and
distinct from criminal or civil proceedings which may arise from identical circumstances and which apply to students as citizens at large. Whenever it is possible and reasonable to do so, student conduct cases will be handled in an informal manner that encourages students to learn from their experiences and be positive contributors to the community.

Students are responsible for informing themselves about their rights and responsibilities with respect to the Code and cannot reasonably claim innocence of a violation of the Code on the grounds of ignorance.

D. Revisions of the Code

The Chancellor consults faculty, staff and students, including representatives of student governments, in the revision of the Berkeley Campus Code of Student Conduct except when such revisions result from changes to Universitywide policies or are specifically mandated by law. Any member of the campus community may submit written proposals to change the provisions of this Code to the Chancellor at any time. Prior to the adoption of a revised Code of Student Conduct, all proposed modifications are submitted to the Office of the Assistant Chancellor for Legal Affairs for review for consistency with Universitywide policies and the law.

All campus and Universitywide policies referenced herein are listed in Appendix I. Copies of such policies are available at the Student Conduct and Community Standards (2536 Channing Way, Bldg E.), Judicial Affairs and Compliance, Office of Student Development (2610 Channing Way) and the Student Advocate's Office (204 Eshleman), and on-line at http://studentconduct.berkeley.edu

Please be aware that the Center for Student Conduct and Community Standards is only accessible by a flight of stairs. For accommodations, please contact Student Conduct and Community Standards at 510-643-9069 or by email at studentconduct@berkeley.edu.

APPENDIX II: EMERGENCY SUSPENSION

During a state of emergency, Chancellors or their designated representatives are empowered to impose Emergency Suspension on any student, faculty member, or employee when there is a reasonable cause to believe:

1. The individual has participated in a disturbance of the peace or unlawful assembly, or has acted in violation of the campus emergency orders, has committed an act of physical violence or has threatened to commit such an act, or has committed a theft or has damaged property; or

2. The individual's presence on campus will lead to violation of campus emergency orders, violence, intimidation, damage to property, or other disruptive activity incompatible with the orderly operation of the campus.

If Emergency Suspension is imposed by a designated representative of the Chancellor, such representative shall immediately inform the Chancellor and submit a written report on the action to the Chancellor as soon as is reasonably possible. The report must contain a description of the person suspended, including the person's name and, if available, address and phone number, and a statement of the facts giving rise to the suspension. If the Chancellor does not affirm the action of the designated representative within twenty-four hours after being informed that the suspension has been imposed, the suspension will be deemed void and a reasonable effort will be made to inform the person who was suspended that the suspension is void.
Any individual placed on Emergency Suspension will be given written confirmation of the suspension, either by delivering it to the individual personally, by mailing it to the individual’s last known address of record or by emailing it to the individual’s last known email address of record. The confirmation will inform the individual of the procedures by which the validity of the Emergency Suspension can be appealed, including the opportunity to obtain a special hearing on the Emergency Suspension in accordance with applicable campus procedures. If an individual is found to have been unjustifiably placed on Emergency Suspension, the University is committed to a policy whereby reasonable efforts are taken to assist an individual who has been disadvantaged in employment or academic status.

The outcome of the appeal will have no bearing on University conduct proceedings arising from the behavior which gave rise to the Emergency Suspension.

Any individual placed under Emergency Suspension shall not, during the period of suspension, enter upon specified areas of the campus or engage in specified activities, as set forth in the written Notice of Emergency Suspension. The exclusion or restriction will be limited to the minimum extent necessary to protect the health and safety of persons or property, or to maintain the orderly operation of the campus.

Violation of any condition set forth in the Notice of Emergency Suspension will subject the individual to disciplinary proceedings based upon such violation.
